ONBOARDING YCFL21

We meet and put on the YCFL t-shirt and get started :-)

Helping each other to understand the mission for YCFL21.

To make changes through everyday activism projects.

RELATION TO THE 8 THEMES

How can we relate to the themes and to everyday activism?

What does the themes mean to us?

Do we have any experience or preferences in our group?

BRAINSTORM ON IDEAS

Make an open process to find examples on everyday activism in the different themes.

Now you must choose one or more themes that you are passionate about.

PROBLEMS TO DREAMS

Start identifying the problems that we need to find a solution to.

Reframe and make problems into dreams scenarios as goals and guidelines for your project.

Choose an everyday activism action that you want to work with.

PREPARATION & ORIENTATION

Before action do consider:
What do we need to succeed with?

Who could be helpful for the project?

What could be a challenge?

Do we need more knowledge?

DESIGN AND DESCRIPTION

The idea could be good - but if there's no plan there will be no action - and no experience or positive change in people's lives...

What specifically needs to be done? When? And by whom?
